

Instructions:

1. Print labels on a full sheet of label stock
2. Carefully cutout labels on the dotted line
3. Remove label backing and apply to containers of finished product

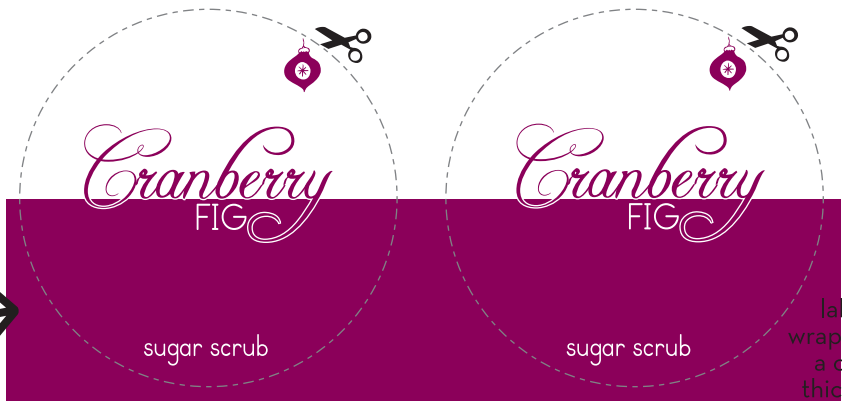

use these labels on our 2 ounce or 4 ounce PET bottles

these labels fit our round guest and mini soap molds

use these labels on our 4 ounce PET jars

these labels fit our round guest and mini soap molds

these labels will wrap around a one inch thick bar of soap made in either one of our wooden log molds
