

BRAMBLE BERRY

HANDCRAFT PROVISIONS

Safety Data Sheet

Activated Charcoal

August 5, 2019

Activated Charcoal is non-hazardous and does not fall within the labeling requirements of the United States Food & Drug Administration regulations 29 CFR 1910.1200 or European Union Directive 1999/45/EC. It is exempt as stated in said code(s) and, as of this date, no Safety Data Sheet (SDS) is required.
