HANDCRAFT PROVISIONS

Safety Data Sheet Coconut Milk Powder

May 31, 2019

The Coconut Milk Powder is non-hazardous and does not fall within the labeling requirements of the United States Food & Drug Administration regulations 29 CFR 1910.1200 or European Union Directive 1999/45/EC . Therefore, it is exempt as stated in said code(s) and as of this date no Safety Data Sheet (SDS) is required.
